Communication Group Sign-up:

The Citrus Belt Amateur Radio Club has instituted a program for a communication network of important HAM and club related information for our members. This program will involve receiving emails with updates on various topics relating to the HAM community and reminders of club functions as they draw near. Since this list is controlled by our club and **NOT** an outside source, you will not receive emails that do not pertain to the radio community and/or our radio club. If you elect to sign-up for this group you can unsubscribe at any time by emailing our club PIO (Public Information Officer) and request to be removed from the list.

Would you like to sign-up for our communication group? YES Not at this time. (You can sign up at any time online at our website)

If YES, please provide the email address at which you would like to receive the information.
